

## Recycling made elegant

Move recycling out of the cupboard or corner and into open spaces with Volum Art Recycling Station — a recycling bin that offers an upscale, sustainable solution with streamlined aesthetics. Multiple surface material options allow you to combine the recycling station with Steelcase products and create a culture of recycling in cafes, conference rooms and collaborative spaces.

## FEATURES

### Interchangeable Inserts

Uniquely shaped, interchangeable inserts with recycling icons provide clear direction for disposal and recycling.

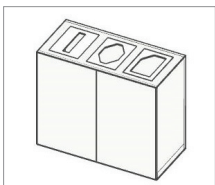

- Available inserts: Paper, Plastic, Aluminium, Glass and Waste
- Multi-language labeling: English, French, German and Spanish

### Plastic Bins

Volum Art Recycling Station is delivered with three, 39-liter bins. Push-to-open doors on the front make servicing quick and effortless.

## STATEMENT OF LINE

### Dimensions:

H850 x W1000 x D470 mm

The steel case is (0.75 mm) composed by a double welded structure with tubular reinforcement.

## SURFACE MATERIALS

Volum Art Recycling Station comes in one size with several options to mix and match finishes.

The steel case is available in all Steelcase standard steel and lux colours.

The back and front units are available in all Steelcase standard steel, lux and melamine colours.
