

Alku

Folding table with castors

Design — Iiro Viljanen

The Alku folding table fits working and learning environments that need to be modified for diverse purposes. When folded the tables take up very little space and are easily movable due to the lockable castors.

MATERIAL DESCRIPTION:

Table top: white or grey laminate, oak veneer

Frame: epoxy lacquered steel in white, grey or black

Lockable castors

Folding mechanism underneath the table top: dark grey

ADJUSTMENTS:

Folding table top.

Base with lockable castors.
