

.03

Maarten Van Severen, 1998

**.03**

The aesthetic hallmark of the .03 chair is its sleek, slim shape – a design that can be seen as an expression of the concept ‘less is more’. At the same time, the chair is unexpectedly comfortable: made of resilient polyurethane integral foam, the linear shape of the seat shell adapts to the body. When the sitter leans back, the upper part of the backrest yields slightly
