PodMeeting Xpress

Table with screen

Design — o4i Design Studio

PodMeeting Xpress offers the opportunity for the short-term working and various spontaneous encounters that take place in an activity based office. The furniture consists of a screen and one or two tabletops in three heights. Benches, stools or various chairs can be selected as seats. A charging point is available.

MATERIAL DESCRIPTION:

Screen: fully upholstered.
Table top: oak, ash, stained ash or white laminate.
Table base: white.
