

JAAN 780. Design: EOOS.

Clear and soft, powerful and charming, straight and harmonious – Jaan combines apparent opposites. The compact cube crowns the high, elegant legs in a balanced harmony of lightness and weight. The final touches were given particular attention: it is not only lovers of masterly craftsmanship who will be impressed by the fine fell seam. Elegant occasional tables with glass tops in black or white complete the range.

Product description

Design awards

Armchair and sofa

Modell no.

780
