

## JAAN BENCH. Design: EOOS.

---

Architectural clarity meets timeless comfort. With its clean lines and rigid structure, this new upholstered bench by EOOS is ideal for the architecture in offices and hotels, airports and galleries, museums and shops. Familiar and multi-award-winning: the spacious leather surfaces over the delicate framework. And the much-loved boards of the Jaan range are once again confirmed here: as the ideal place for storing everyday bits and pieces. Whether as a bench, corner or an individual configuration - a range of shapes for modern lounge seating.
