

MR T

Mr T invites users to vary their seating positions. You can sit up straight, on the edge or straddle the stool. Furnishing with several Mr Ts and positioning them in different directions in the room creates an interesting environment which encourages conversation and interaction.

VARIANTS

| | W | D | H |
|---|----------|----------|----------|
|  | 390 mm | 350 mm | 480 mm |
|  | 550 mm | 350 mm | 660 mm |
