

ALTO

Alto is a nicely manufactured, versatile piece of furniture. The design is characterised by simplicity, as noticed in its shape and the flexibility with which you can combine a number of units to create larger arrangements. The undulating shape of its cushions further enhances the identity of this piece and shows off its beauty from all angles. An additional extra is a pocket sewn into either endpiece to hold magazines or menus and a practical and elegant side table. The table is small enough to blend into the environment, while large enough to accommodate for example a cup and a mobile phone. Alto comes as an easy chair, two seater, three seater or corner sofa. Seat height 450 mm. Frame in chrome or CbM* powder coating.

*CbM = beige, mustard yellow, dusty pink, rusty red, burgundy red, blue grey, green, grey, dark grey, black and white
