

ANAGRAM

Anagram bar stool is stackable and available in two heights, 630 and 780 mm. Just as for the Anagram chairs/armchairs, the seat and back are either made of wood or injection moulded polypropylene in CbM*, non-upholstered, upholstered seat or fully upholstered. The die-cast aluminium buttons match the colour of the frame. The legs loop up behind the back tray, providing an elegant handle for easy lifting and moving. A footrest offers practical support. Frame in chrome or CbM* powder coating.

*CbM = beige, mustard yellow, dusty pink, rusty red, burgundy red, blue grey, green, grey, dark grey, black and white

VARIANTS

	W	D	H	SH
	500 mm	500 mm	930 mm	630 mm
