

CACTUS

The inspiration for Cactus comes from nature's soft lines and the solid leaves of the cactus. The playful form has resulted in a range of hooks and coat stands that give entrances lots of character. Available both as wall-mounted hooks and a floor standing coat hanger. The hooks are moulded in solid polyamide plastic in white, black or green, supplemented with polished metal.

VARIANTS

	W	D	H
	420 mm	420 mm	1800 mm
	370 mm	50 mm	115 mm
	95 mm	50 mm	95 mm
