

## DOT

Dot is a modular series for coat, hat and shoe racks mounted on the wall. Dot has ends in white or black powdercoated steel plate. Single or double racks of grey powdercoated steel plate. Punched holes make the racks easy to keep clean and allow you to see what's there. The series includes a coat hook strip and a combined wall hook/doorstop. On the wall hook, the aluminium rod has a double hook of polyacetal and room for hangers. The end of the rod is covered with a rubber stopper to protect the door.
