

## UNI

The Uni folding table complements the flexible Uni table series. The four lockable castors with intermitted brakes make the table easy to move, as well as stable and steady when locked. The folding table can easily be folded together by pulling the bar under the tabletop towards oneself. It is available in three sizes and several different finishes. A stacking protector prevents scratches when the tables are stacked together for storage. The Uni folding table is suitable for everything from meeting rooms to cafeterias, social spaces, and lecture halls. The wood is FSC<sup>®</sup>-labelled. Frame in chrome or Colours by Materia (CbM<sup>\*</sup>) powder coating.

\*CbM = beige, mustard yellow, dusty pink, rusty red, burgundy red, blue grey, green, grey, dark grey, black and white

## VARIANTS

		<b>W</b>	<b>D</b>	<b>H</b>
		1400 mm	690 mm	1120 mm
