Cornice e mensola in estruso di alluminio anodizzato. Specchio protetto da pellicola anti-infortunistica.

Frame and shelf in extruded anodized aluminium. Mirror protected by safety film.

Cadre et tablette en aluminium extrudé anodisé. Miroir protégé par un film de sécurité.

Rahmen und Regal aus extrudiertem, eloxiertem Aluminium. Spiegel geschützt durch Sicherheitsfolie.

Borde y ménsula en aluminio anodizado extruido. Espejo protegido con película de seguridad.

+++

Gli specchi possono essere sovrapposti o affiancati per creare delle ampie o lunghe boiserie specchianti.

+++

The Gill mirrors can be superimposed or set side-by-side to create high or long mirror walls.

+++

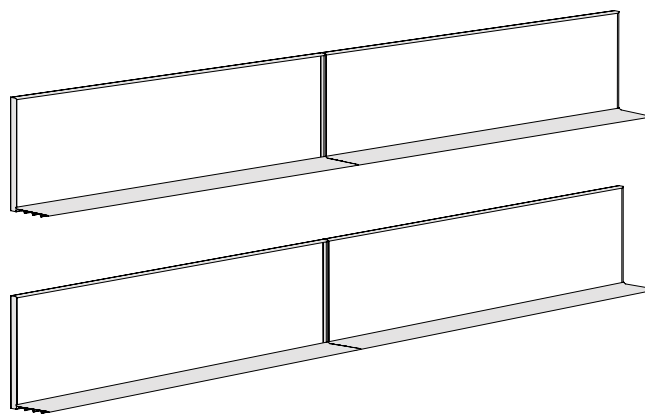

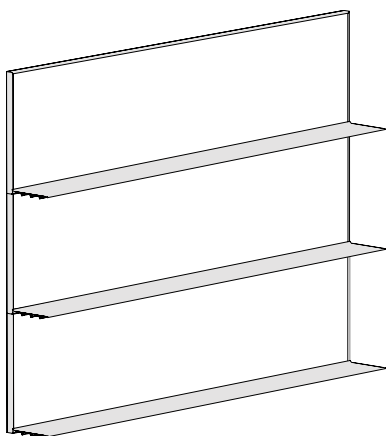

Les miroirs Gill peuvent être superposés ou juxtaposés afin de créer de larges et longues boiserie réfléchissantes.

+++

Die Spiegel Gill können übereinander oder nebeneinander angeordnet werden, um großflächige oder lange Spiegelflächen zu bilden.

+++

Los espejos Gill pueden colocarse juntos horizontal o verticalmente para crear paredes completas relucientes de espejos.
