Designed by Says Who, Denmark

Malin is a series of beautiful modular sofas with great comfort, created by the Danish design duo Says Who. With removable upholstery that can be dry cleaned or replaced if needed, the Malin sofa is designed to last for generations. Transform your Malin to fit your preferred expression, by choosing one of the two options of cushions. Whether you prefer a clean and simple look or a luxurious lounge feel, Malin will make a beautiful centrepiece in your living space.

Meet the designer

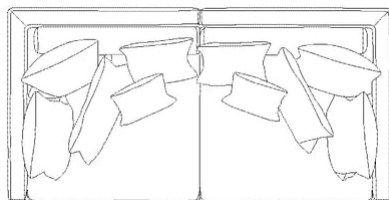

We are Nikolaj and Kasper. We are Says Who Design. We like to tell stories through our products. Stories that add character and relevance to the user experience. We love simple, clever yet masculine design. Rawness expressed through refined details. We always strive to add personality to the product. An edge or feature that defines its use, style or statement. Good design is useful, characteristic and tells a story. It leaves a lasting impression that enriches our lives in ways we never thought of before. When design is at its best, it enriches our everyday lives and experiences.
