

## Hour series

Designed by 201 Design Studio, Romania

---

Hour is a series of beautiful vases, bowls and candleholders inspired by the shape of an hourglass and the transient quality of time. Each piece is uniquely shaped by hand from durable stoneware and glazed with meticulous care – matt on the outside and shiny on the inside.

### Meet the designer

El bon disseny és honest, funcional i reconeixible. Sempre és útil, durador i respectuós amb el medi ambient. El bon disseny és aquell que es converteix en insubstituïble amb l'ajuda de la innovació. A 201 Design Studio ens esforcem per mantenir la individualitat estètica i la diferenciació. Quan desenvolupem un producte, ens orientem a crear un equilibri entre la funció, l'ergonomia, els materials i l'estètica. Sempre tenim un ull posat en tot allò que ens envolta i ens pot inspirar en la creació de nous dissenys.
