

Bowie series

Designed by Skrivo, Italy

Designed by Italian design studio Skrivo and influenced by mid-century Scandinavian design. A sophisticated armchair characterised by a luxurious oak frame that seamlessly widens from leg into armrest, gently embracing the seat. Handcrafted with a combination of traditional and modern woodworking techniques which lend a contemporary aesthetic to the design. The plush seat and backrest are upholstered in your choice of fabric or traceable leathers.

Meet the designer

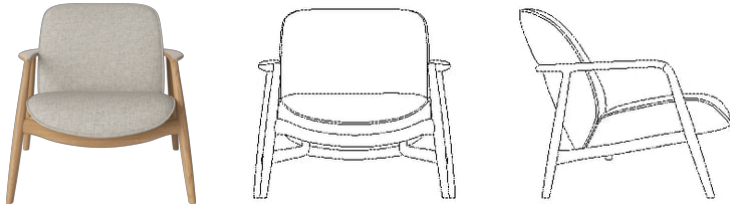

Skrivo a été fondée par le designer industriel croato-irlandais Stefan Krivokapic. Ses origines multiculturelles l'ont toujours incité à s'inspirer des coutumes, de l'histoire, des valeurs et des matériaux de différentes cultures pour créer des designs originaux et innovants. Au cœur de chacun de ses projet se trouve l'idée de partir d'un matériau ou d'une technique artisanale pour aboutir à des solutions inspirantes et intemporelles. Toujours soucieux des méthodes de fabrication existantes et sans cesse à la recherche de matériaux innovants, nous créons des produits qui allient fonctionnalité et esthétique.
