

Flow series

Designed by Michael H. Nielsen, Denmark

Flow is named after its sleek frame, which alludes a flowy and airy impression. The solid frame has an elegant appearance and comes in different surfaces, materials and heights, nurturing creativity and allowing for complete flexibility that renders a true piece of art fitted to your home. The mortise-and-tenon joints that connect all corners emphasise the traditional craftsmanship and high carpentry quality that Flow is made of.

Meet the designer

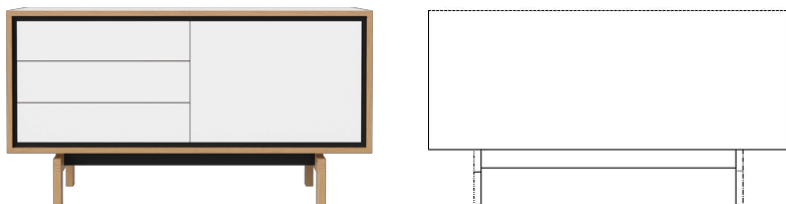

El meu estil es caracteritza per posar el focus en els detalls i en aquest «marge» que distingeix els meus dissenys de tota la resta. Una de les coses que més m'ha influït ha estat observar la diversitat de les persones i mirar de satisfer les nombroses necessitats diferents que tenen. Sempre m'ha fascinat l'artesanía de qualitat i la interacció entre artesans i dissenyadors. El bon disseny és aquell que aporta sentit i valor a les persones que el fan servir.
