

## Unio series

Designed by Böttcher & Kayser, Germany

---

Unio is an elegant series of trays in stainless steel. The tray's elegant shape is made out of only one piece of steel that is cut out and folded, creating beautiful details that are both functional and aesthetic features.

### Meet the designer

Wir sind ein Berliner Designstudio, das sich mit dem Design von Möbeln, Beleuchtung und Inneneinrichtung in allen seinen Aspekten beschäftigt. Für uns ist Design ein untrennbarer Teil unseres Lebens, ein Ausdruck unserer Persönlichkeit und ein kreativer Spiegel unserer sozialen und kulturellen Geschichte. Wir sehen Möglichkeiten in allem, was uns umgibt, und es sind alltägliche kleine Erlebnisse, die uns am meisten inspirieren. Unser Ziel ist es, einfache und gleichzeitig originelle Designs zu schaffen, die komplexe Aufgaben auf intelligente und funktionale Weise lösen. Für uns ist entscheidend, dass alle Techniken, Materialien und Ästhetiken zu einer größeren Einheit verschmelzen und das Design das Konventionelle und Triviale in Frage stellt.
