

DOMINO

The elegant Domino series has been supplemented with a stool and a bar stool. Their frame is of solid ash, while the seat tray is made from moulded ash veneer and the finishes are white pigmented, black stained or stained in any of the colours included in the Colours by Materia (CbM*) concept. The concave shaped seat is available non-upholstered or upholstered. For easy handling the seat is equipped with a grip. FSC® labelled wood. The bar stool in the two heights of 630 and 780 mm has a stainless steel footrest. The 450 mm stool can be stacked four high. Domino stool and bar stool are ideally combined with the series' tables in places like cafes and canteens and for short meetings in the office.

*CbM = beige, mustard yellow, dusty pink, rusty red, burgundy red, blue grey, green, grey, dark grey, black and white
